

COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR CHILDREN UNDER 18)

Overview

This checklist applies for all children, as well as all students who attend kindergarten through Grade 12, including high school students over 18. Children should be screened every day by completing this checklist before going to school, childcare or other activities. Children may need a parent or guardian to assist them to complete this screening tool.

Screening Questions for Children under 18:

1.	Has the child traveled outside Canada in the last 14 days?	YES	NO
<p>If the child answered “YES”:</p> <ul style="list-style-type: none"> The child is required to quarantine for 14 days from the last day of exposure. If the child develops any symptoms, use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is recommended. <p>If the child answered “NO”, proceed to question 2.</p>			
2.	<p>Has the child had close contact with a case¹ of COVID-19 in the last 14 days? Face-to-face contact within 2 metres for 15 minutes or longer or direct physical contact such as hugging</p>	YES	NO
<p>If the child answered “YES”:</p> <ul style="list-style-type: none"> The child is required to quarantine for 14 days from the last day of exposure. <p><i>NOTE: Individuals who previously tested positive for COVID-19 in the 90 days before being exposed to another case of COVID-19 are not required to quarantine.</i></p> <p>If the child answered “NO”, proceed to question 3.</p>			
3.	Does the child have any new onset (or worsening) of the following core symptoms:		
	<p>Fever Temperature of 38 degrees Celsius or higher</p>	YES	NO
	<p>Cough Continuous, more than usual, not related to other known causes or conditions such as asthma</p>	YES	NO
	<p>Shortness of breath Continuous, out of breath, unable to breathe deeply, not related to other known causes or conditions such as asthma</p>	YES	NO
	<p>Loss of sense of smell or taste Not related to other known causes or conditions like allergies or neurological disorders</p>	YES	NO
<p>If the child answered “YES” to any symptom in question 3:</p> <ul style="list-style-type: none"> The child is to isolate for 10 days from onset of symptoms OR receive a negative COVID-19 test and feel better before returning to activities Use the AHS Online Assessment Tool or call Health Link 811 to arrange for testing and to receive additional information on isolation. <p>If the child answered “NO” to all of the symptoms in question 3, proceed to question 4.</p>			

4.	Does the child have any new onset (or worsening) of the following other symptoms:		
	Chills Without fever, not related to being outside in cold weather	YES	NO
